FLOATING LIGHTS

"Last Night Branche," from Pousnet, is a unique chandelier created by Damien Langlois-Meurinne, one of France's premier interior designers. An expression of freedom and lightness, this contemporary piece is crafted in lacquered steel with glass balls tinted in gold or silver. +33 1 43 267149; www.pousnet.fr

MICHELLE MADOW

Our congratulations to author Michelle Madow, *Florida Design's* former intern, on her completion of the third novel in The Secret Diamond Sisters trilogy, *Diamonds Are Forever*, to be released on Oct. 27, 2015. A book signing will be hosted at the Barnes & Noble in Boca Raton, Fla., on Oct. 31, 2015. www.michellemadow.com

A PRECIOUS TUB

Sauking in the bathtub takes on new meaning when luxuriating in this decadent, one-of-a-kind tub that is hand-carved from a large slab of rock crystal found in Brazil's Amazon forest. Created by Baldi, an Italian design firm known globally for turning precious stones into stunning objects, this lustroous gem defies the imagination. Price upon request. 213/394-5379; www.baldibz
